

2021 CALENDAR

JANUARY

Flint, age 4

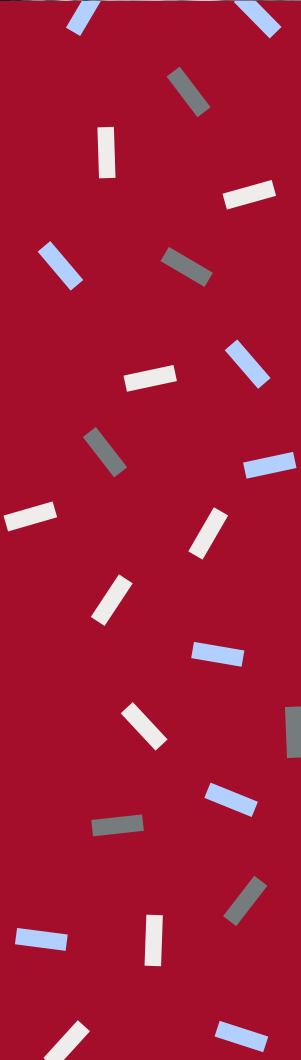

TROPHY TIP

During the wintertime, check your pet's paws for signs of injury or harm due to the cold weather. Wipe paws regularly, as after winter walks, they may absorb all sorts of seasonal chemicals, such as salt or de-icers which can irritate skin.

NOTES

APRIL

Heidi, age 3

TROPHY TIP

Tick season starts in Spring, so run your hand over your pet's body when they come inside to check for any lumps or bumps. Ticks carry diseases, so it's important to remove them as soon as possible.

NOTES

JULY

Mylo, age 2

TROPHY TIP

Pale-coloured pets are vulnerable to sunburn, particularly on the ears and nose. You can apply a specific pet sunblock, or a non-toxic waterproof human product to stop them burning.

NOTES

OCTOBER

Diesel, age 9

TROPHY TIP

Autumn weather brings out slugs and snails which can carry parasites, and mushrooms which can be dangerous when eaten. Bringing your pet's toys inside and keep an eye on what they're picking up to help keep them safe.

NOTES

TROPHY
PET FOODS

DECEMBER

Harry, age 6

TROPHY TIP

If you have any sweets for the festive season, don't be tempted to share them with your dog. Some, especially chocolate is toxic to them. If you don't want your pet to feel left out, give them some of their own treats or food so you can all snack together!
